Dear Parents / Carers,

Welcome back to the Spring Term! I am delighted to be back in school but am disappointed that it isn't quite the return I had hoped for. However, it is vitally important that we keep everyone safe and follow the advice given to protect us all. The newsletter this week is mostly filled with information from County which may be useful for you. I would also urge you to look at the 'Top tips for parents helping learners with online learning in Hwb' which has been published on our website and Classlist. Also, just a reminder that children can only access the live streaming when we have received the online parental consent form which can also be found on the website and Classlist along with the policy.

Critical Workers and Hub Placements

Message from Carmarthenshire County Council

"Our schools have made on-site provision available for vulnerable children and children of critical workers under 12-years-old if absolutely essential. However, it is vitally important that parents follow Government advice and keep their children at home where possible.

Please remember you must book your child in with your school in advance – places are limited, and schools need to make sure they have adequate staffing in place. **Late applications will not be accepted.**"

Positive Test Reminder

Although our children are currently learning from home, it is important to tell us if your child tests positive for Covid-19.

Please report it directly to the school, or if outside of school hours please contact Delta Wellbeing on 0300 333 2222 or email TTP@deltawellbeing.org.uk providing your child's name, year group and school.

Remember if your child, or any member of your household has Covid-19 symptoms you must self-isolate and request a test by phoning 119 or using the online portal <https://gov.wales/getting-tested-coronavirus-covid-19>
