Free School Meals payments

If your child is entitled to free school meals, you will receive payment of £19.50 per child per week during the following:

- School holidays
- If your child is instructed by Welsh Government to stay at home for periods other than school holidays*
- If your child is instructed to self-isolate because of a positive case of COVID-19 at their school

*Payments will continue for all pupils (including Foundation Phase pupils) until the end of the spring term.

You need to [apply online](#) to receive this payment. If you have already applied for and received free school meals payments, you do **NOT** need to apply again.

However, if any more of your children have since started school or your bank details have changed you need to email us.

For additional children, who have since started school please email FreeSchoolMeals@carmarthenshire.gov.uk with the details. You will need to provide your child's name, date of birth, the name of your child's school as well as your National Insurance number.

If the bank details you previously supplied to us have changed, please e-mail FSMBankDetails@carmarthenshire.gov.uk with the changes. You will need to provide a copy of a recent bank statement or a photograph of your bank card (as long as it shows your name, sort code and account number (Natwest and some other bank cards do not)). Unless we are notified of changes, payments will be made to the bank details currently held.

Free School Meals

If your circumstances have changed which has affected your household income, you may be eligible for free school meals. For more information and to apply please visit our [website](#).
