### Friday 12<sup>th</sup> March

Dear Parents / Carers,

It is with great pleasure that we are now preparing for the return of Key Stage 2 children from Monday. I know that all the staff can't wait to see the children back! It may take a while for the children to re-adjust because it has been quite some time since they last saw each other and so learning to work alongside each other again may take some getting used to! I know that in Foundation Phase, we have faced a few friendship challenges where children are having to get used to sharing and turn-taking again as many have spent so much time without seeing their friends, but we are working hard to reinforce the boundaries and expectations – each day is a positive step! It's just a joy to hear the laughter and see the smiles again, and we all look forward to seeing and hearing more of this next week.

#### Start and Finish Times

It has been reported to me that some parents are arriving quite a bit earlier than their arrival or collection time. The ten-minute slot allows you to arrive at any time within that set ten minutes and should mean that there is no need reason for parents to queue outside before the start of the ten-minute slot. Please use the full flexible start time to reduce the amount of people on site. For the safety of all classes, children will not be able to come into school earlier than their set time (unless a Hub user).

#### Another snowdrop!

#### Red Nose Day

This takes place on Friday 19th March for Comic Relief. The theme is 'Superheroes' and the children are invited to dress as their favourite Superhero or to use their imagination and create their own Superhero. However, please **do not** send in accessories such as swords, guns etc.

We will be asking for a voluntary donation of £1 which will be payable through ParentPay. The link will be on the School website from Monday. Diolch yn fawr.

#### Parent Governor Vacancy

We still have vacancies for Parent Governors. More information can be found on the website or on Classlist. If you are interested in taking a more proactive role in your child's education, then please contact Mrs Watts to register your interest.

#### Free School Meal Payments

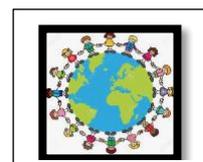

If you wish for your child/children to have a school meal up until the end of the current term, these meals will be charged for (£2.55 a day) if you are currently receiving direct payments. Alternatively, you are welcome to provide a packed lunch.
